

## What can you do?

- JOIN US! It's CHEAP—only £5 per household per year.
- Your membership increases the influence of our voice, so you are helping by just being a member.

### But if you like:

- Be an 'active' member and really help us make progress.
- Come to our regular meetings
- Help with projects.

### But whatever:

- Please fill in the application form and show your support—in return we will keep you informed with our regular newsletter

## Is This You?

- A local cyclist? Or interested in cycling locally?
- Do you believe that we need to improve local facilities for cyclists?
- Would you like to see more cycle routes?
- Would you like a say in local planning decisions affecting cyclists?  
e.g.
  - Difficult or busy junctions
  - Cycle parking stands
  - New road schemes

If you answered YES to any of these questions, you should join

The cycle campaign group for  
Leamington, Warwick & Kenilworth

Printed on reCYCLED paper  
Designed and set by Cycleways

Campaign Group for  
Leamington,  
Warwick &  
Kenilworth

THE CYCLE CAMPAIGN GROUP  
**Cycleways**  
FOR  
LEAMINGTON, WARWICK &  
KENILWORTH

## What are the benefits of cycling?

- Quick, cheap and convenient
  - Clean and green
  - Available to people of all ages
  - Healthy exercise
- The British Medical Association says  
it keeps you younger!
- Sociable and friendly

## What is CYCLEWAYS?

- A local group promoting cycling in the Leamington, Warwick and Kenilworth district

## What do we do?

- Make Councillors and planners more aware of local cyclists' needs
- Encourage the creation of cycle routes to schools, shops & recreation areas
- Organize social events & rides

K2L Campaign is a campaign to persuade WCC to provide a high quality cycle route between Kenilworth and Leamington. It is a easy 5 mile commute and there are a considerable number of people doing it already. We believe this route is essential and should be integral to the cycle network. This campaign is run as a separate campaign by Cycleways.

**Please give K2L your support.**
